Introduction:

Rollin' Rollin' Rollin' X 2

Rollin' rollin' rollin',
keep those **wheelchairs** rollin'
Rollin' rollin' rollin'
WHEEL-CHAIR!
For everyone, to have success,
We all need easy access,
Rollin' rollin' rollin' **wheelchair**.

Rollin rollin rollin,
keep those **walkers** walkin'
Rollin' rollin' rollin'
WALK-ER!
I need my housing good to go.
It's the modern way you know
Rollin' rollin' rollin' **walker**.

Rollin rollin rollin ,
keep those **strollers** strollin'
Rollin' rollin' rollin
STROLLER!
Let's live together young and old,
Where all can smoothly come and go.
Rollin' rollin' with my **stroller**.

Rollin' rollin' rollin',
Ontario get rollin'
Rollin' roll **ONTARIO**
Universal design is what it's called.
Housing accessible to all.
Rollin' rollin' roll **Ontario**

Ending: Quiet:

Rollin rollin rollin,
Ontario get rollin,
Ontario get rollin.
Wheelchair, walker, stroller.

Loud: ROLL ON!
